NOTICE OF FINANCIAL AID PROBATION SUSPENSION

Dear Alexandria,

The Office of Student Financial Assistance previously suspended your financial aid due to your academic performance. Your submitted appeal was approved for one semester of federal financial aid. The approval notification sent to you provided the requirement(s) you needed to meet to continue to be eligible for federal financial aid.

A review of your academic record from the previous term shows you did not meet the requirements specified when we approved your last appeal. As such, you are not eligible for Federal financial aid beginning with Summer Term 2021 (if enrolled) or Fall Semester 2021.

You may appeal for reinstatement of federal financial aid if you have a reason that prevented you from meeting SAP. To request a review, submit the [Satisfactory Academic Progress \(SAP\) Appeal form](#) along with the supporting documentation. The review of the appeal takes 3–4 weeks. You should be prepared to meet your financial obligations on your own if you choose to register for classes. If you choose not to enroll, please review the University's [refund policy](#) to avoid incurring charges.

Should you choose to submit another appeal, we will take into consideration your most recent semester's academic performance and will rely heavily on that as a guide in our decision to approve or deny your appeal.

If you have any questions, please contact the One Stop at OneStop@MiamiOH.edu or 513.529.0001.

We wish you success in your academic endeavors at Miami.

Sincerely,

Beth Johnson
Director
Office of Student Financial Assistance
